“Symbols are the key to communication. Read this fascinating book about self-expression to understand yourself and your ability to change.”

—Bernie Siegel, M.D., author of *Love, Medicine and Miracles* and *Prescriptions for Living*

“Vimala offers a fresh, pure, and striking alphabet to anyone whose handwriting needs some encouragement—even those who are ready to give up. If you clutch and go dismal at the thought of presenting yourself on paper, you need this book.”

—Margaret Shepherd, author of *Calligraphy Made Easy* and *The Art of the Handwritten Note*

“What yoga is to the body-mind, Vimala Rodgers’s work is for the mind-body. I highly recommend her joyful book to everyone on the path toward healing and wholeness; it’s a missing link in the holistic field.”

—Andrew Ramer, author of *Angel Answers* and *Revelations for a New Millennium*
