Pursuing God In Step with the Psalms

Lesson 14: Psalm 2

God's Sovereign Rule

Stay on the Path ~

The commanding officer of an elite naval flagship ordered his radioman to send out a message to an obstacle that had appeared on the radar screen directly in the ship's oncoming path: "Move your vessel twenty degrees starboard." There was an immediate reply: "You move twenty degrees to your starboard." The angry officer shot back: "Tell him I am the admiral of this vessel, which is the flagship of the fleet!" Another reply was received: "I am Seaman 2nd Class James. You must change your course twenty degrees starboard immediately." The enraged officer ordered: "This is a battleship—we can and will blow you out of the water; change your course or else!" Seaman James radioed back: "This, sir, is a lighthouse!" And that ended the standoff, since there is no way a battleship can move a lighthouse! Such is the message of Psalm 2: rebellious mankind telling God to move out of the way, and God sending back the message to "change course or else."

The ongoing war of a lost world against God is epic. It is as old as time, extending all the way back to the Garden of Eden where Adam and Eve first took matters into their own hands, exercising their free will to defy God's authority over their lives. The cosmic battle between good and evil has rendered countless novels, movies, and even today's version of video games; most of it for entertainment purposes but, the basic story line is not fiction or fantasy, it is actually quite real. No matter how deprived or determined man's attempts to overthrow God's rule may be, all such efforts will fail; for in the end every knee will bow and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.

Did you know? ~

The book of Psalms contains more Messianic prophecies than any other Old Testament book, with the exception of Isaiah. Psalm 2 is a royal psalm, revealing the Messiah as the Son of God, the undisputed sovereign ruler over heaven and earth. The exact origin of this psalm is unknown, but the Apostles Peter and John ascribe its authorship to David (Acts 4:25). It looks prophetically ahead to the time when the Lord Jesus Christ—God's anointed, promised Messiah—takes center stage upon the earth. It depicts the ongoing rebellion of the world against God and His Son.
