LESSON 1

The Pyramid of Success™

LESSON TIME
20 minutes

LEARNING OUTCOMES
Students will:

- consider the meaning of success
- be introduced to Coach Wooden's Pyramid of Success™

MATERIALS NEEDED

- Journey to Success® planners
- whiteboard
- INCH and MLES: The Journey to Success, by Coach John Wooden
- pencils
- blank paper
- markers or crayons

Tell students: This year we are going to explore the meaning of success and how each one of you can be a success. I have a book here that's about success. Let's see what we can learn from the book.

Activity

- Read *INCH* and *MLES: The Journey to Success* with students.
- When you have finished reading, ask students how Coach Wooden defined "success."
- Ask: Do you agree with Coach Wooden's definition of success? Why or why not?
- Challenge students to try to remember what Inch and Miles learned from each new character.
- Show students each character in the book again and discuss which trait each character represents.
- Draw or display a copy of the Pyramid of Success™. Explain that each block is essential to reaching true success. Emphasize that when Coach Wooden built the Pyramid of Success™ he started with the cornerstones, the foundation, and built it steadily upward. Say: *Reaching your Personal Best is the result of utilizing all the qualities in the Pyramid of Success™.*

Introduce and Model Lesson Concepts

Introduce the lesson by asking students what they think "success" means. Write their responses on the board. When students finish answering, write Coach Wooden's definition from page 5 of *INCH* and *MLES*:

The Journey to Success on the board:

- "Success isn't having trophies or toys. It isn't a medal or friends of your choice. What is Success? That's easy to see. It's trying to be the best you can be! Don't worry what others may have or might say. When trying your best, Success comes your way."
